

## **TUITION POLICY (Students without a district referral)**

**Tuition** applies to the costs of instruction and all regular operations of the school. It helps to pay our utility bills, staff salaries, and all the necessary operational expenses that make it possible to offer our unique program to the teenagers who thrive here. Our policy is that no additional fees are charged. Breakfast and lunch are made available to all students at no cost. All the supplies students will need for the year—art and science materials, notebooks and pencils, calculators...everything—is provided. Even for field trips there are no extra fees you must pay, regardless of transportation costs, entrance fees, and so on.

**Tuition for the 2023-24 academic year is \$9,000.** Payment of private tuition is possible on any of three different schedules. You can choose the schedule most suitable for you.

- (A) *By Semester:* half of the annual tuition is due on September 15<sup>th</sup> and February 15<sup>th</sup>.
- (B) *By Quarter:*  $\frac{1}{4}$  of the annual tuition is due on September 15<sup>th</sup>, November 15<sup>th</sup>, February 15<sup>th</sup>, and April 15<sup>th</sup>.
- (C) *By Month:*  $\frac{1}{10}$  of the annual tuition is due on the 15<sup>th</sup> of each month, September through June.

If you choose to pay monthly or quarterly, we request that you arrange through your financial institution to have checks mailed to the school automatically via a “Bill pay” option; or, to have regular ACH payments made to the Wellsprings Friends School bank account. Full information is available from Dante Zuniga-West (Head of School).

**Tuition assistance** is available and determined on a case-by-case basis. We do whatever we can to support the possibility of attendance for all students who want to enroll here. Please feel free to talk with Dennis for further information or to obtain our simple application form. All financial information provided is kept confidential and used only to assess family needs.
