CLASS FIELD TRIP PERMISSION FORM

Because of our experiential emphasis, many of our classes go on short field trips to off campus locations during class-time. It is the policy of Wellsprings Friends School to require a signed permission from the student's parent/guardian for a student to participate in these activities. This form, when signed, will be kept on file to provide general authorization for such brief excursions, also including our occasional all-school field trips for bowling, skating, picnicking, etc. For other events such as overnight camping trips, we will continue to require specific separately signed permission slips.

If the student does not have a signed general permission form on file, he/she will not be allowed to leave the school grounds for such activities. The student will be given an alternative assignment; due to our small staff, however, he/she may be without immediate staff supervision during this class period.

If you have any questions please give the school a call.

Some of the films may contain foul language, sex and/or nudity, violence, drug issues, and may be considered controversial. It is the policy of Wellsprings Friends School to require signed permission from the student's parent/guardian for a student to view 'R' or unrated films.

If the student does not have a signed permission form, he/she will not be allowed to view these films. The student will be given an alternative assignment during the showing of the film and then meet back with the class to join in discussions of the film.

If you have any questions please give the school a call.
