

Road to Enrollment

Parent/Guardian Instructions

Together we will fully explore what your student needs and wants, and what Wellsprings Friends School requires and is able to offer.

To begin the process of obtaining a referral, contact the appropriate person in your home school district. Each school district has their own policies and procedures regarding referrals. District approval is not automatic. Information is available on our website (“Referral Process” under “Admissions”) or by calling your home school district office. If you have any questions, please call. 541-686-1223

- I have contacted my home school to discuss their referral process and I am following all district procedures
